In Memory of Richard McCormick

In 1970 the Anselmo-Merna High School acquired not only a new custodian, but also a friend. Dick was very much a part of school life for the eight years that he was here until his death in 1978.

Dick was in the Navy during World War II and was in Pearl Harbor at the time it was bombed by Japan. His family received an honorary letter of commendation in his name from the President for his service to our country.

He will always be remembered by all.

Farewell Message to the Seniors

The production of any yearbook takes considerable time and effort. All of us want to express our appreciation to the annual staff especially to the editors, Shelley Fetherston, Michelle Holmes, and LeAnn Kettleborough.

I feel certain that the Board of Education, the administration, and the teachers want to extend a special congratulations to those seniors that have truly earned a diploma from high school in a time when so much emphasis is being placed on rights at the expense of emphasis on responsibility. It is from responsible people that democracy depends for its very existence. It is hoped that more and more of you will join the ranks of the responsible people as you grow and mature into adulthood. As this occurs you can truly say that you as a class have earned our respect and congratulations.

Paul F. Embree

I would like to take this opportunity to congratulate the 1979 seniors on their graduation from Anselmo-Merna High School.

The future will hold many challenges for you, try to keep in mind that the two things that will carry you through are (1) a positive and cooperative attitude and (2) a pleasing personality. Work hard at these two facets of your total self and I'm sure you will enjoy personal success and satisfaction in the future.

Larry Canille

Editors

We live a day, and then that day is gone. We live a year, and that year is gone. A high school year, one of the happiest and best years of life soon fades from actuality. A dimly lingering memory is all that remains unless there is something to help us live those days again. May this book bring back those warm, friendly moments of high school life in 1978-79.

We would like to thank the annual staff and our advisor, Mr. Samuelson, for their cooperation and support in making this annual possible.

Senior Memories

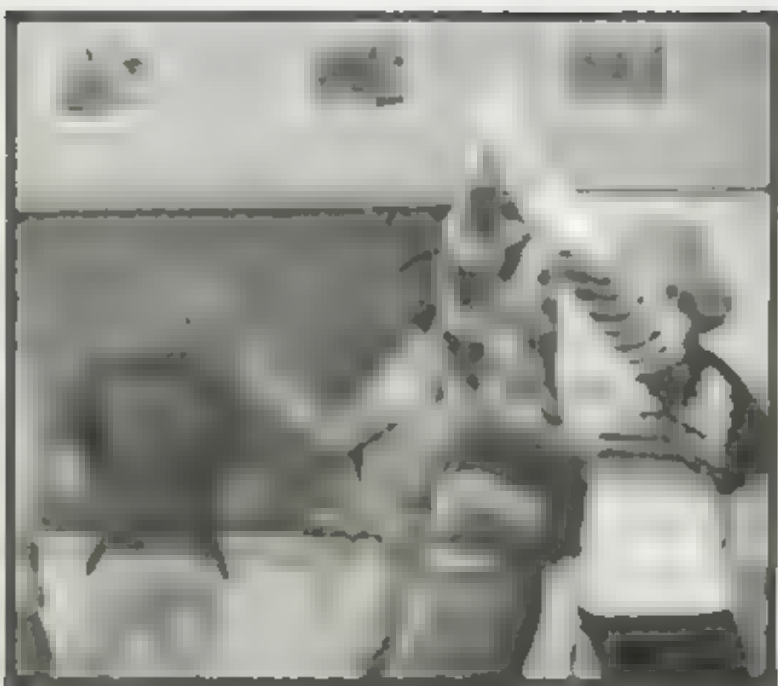

... the end
of another memory
has come

a memory of days
minutes
moments as we live them
laughter
smiles
friendships
disappointment
tears

All the feelings
that we felt
all the reasons
we had to go on
hoping
looking forward
searching for
the future
and a new
beginning
